# John Brown

Opera in Three Acts  
Duration: 2 hours, 7 minutes

Libretto in English by the composer

WORLD PREMIERE  
May 3, 2008  
Lyric Opera of Kansas City

CAST AND ORCHESTRATION  
S, Mz, 3T, Bar, B-Bar, B; chorus  
3332/4331/timp.2perc/hp/str

**SYNOPSIS**  
The opera details the events leading up to and surrounding the abortive attempt by John Brown, a charismatic abolitionist, to destroy American slavery by force of arms. However harsh and single-minded his struggle for black freedom, Brown's story concerns issues key to the historical development of America and perhaps still central to its fate. Following an unsuccessful attack in 1859 on the US arsenal in Virginia, Brown, who had confided to Frederick Douglass that he, like Moses, was chosen by God to lead the slaves to freedom, is sentenced to execution by hanging. As the opera closes, Douglass proclaims, 'You cannot bury him! As long as men love freedom, John Brown will never die.'

"With unabashedly lush solo and choral writing, a shimmering orchestral backdrop and a raw-nerved story of continued relevance, this opera is a natural almost from start to finish.... Mechem's musical language is approachable but complex...spiced by unexpected harmonic turns and orchestral color.... It is an opera that I suspect will take on a life of its own...could easily become an iconic American classic."

—Paul Horsley, Kansas City Star

Rich and dashing Jack has fallen in love with the heiress Lydia. Lydia is in love with a romantic fantasy: she wants to elope with some penniless artist and live in "charming poverty." Jack masquerades as a poor composer named Waverley and wins her heart, but Lydia's aunt, Mrs. Malaprop, will not hear of it. She and Jack's father, both unaware that "Waverley" is Jack, decide that Lydia should marry the real Jack. Jack now has to figure out how to reveal his true identity to Lydia without losing her, but Lydia eventually learns the truth and rejects him. Meanwhile, Baron von Hakenbock has been carrying on a secret correspondence with "Celia," whom he believes to be Lydia but who is really Mrs. Malaprop. He and one of Lydia's rejected suitors, Jasper Vanderbilt, prepare to fight simultaneous duels: Jasper with his rival, the non-existent Waverley, and the Baron with Jack. It all comes to a head on the dueling field. True love averts the duels, clears up the misunderstandings, and unites the proper pairs.

**SYNOPSIS**  
A wealthy and single young man from London, Richard Bingley, has just moved into the Netherfield estate. At a ball he gives for his neighbors, Mrs. Bennet is overjoyed to see that Bingley is attracted to her eldest daughter, Jane. But her second daughter, the witty and independent Elizabeth, is slighted by Bingley's even wealthier friend, the proud and aristocratic Darcy. The spirited courtship between Darcy and Elizabeth – who at first cannot abide one another – is the main story of the opera. They not only misjudge each other, but are both victims of their own pride and prejudices. Only after much sparring and indignant misunderstandings do they come to recognize their own faults and true feelings, and can forgive themselves and each other.
